About GP

Spread out on large lush green space, in Gimnare township of Nashik, GP Farm, Hotel & Resort is located in the arms of nature, surrounded by thoughtfully engineered and well maintained farms. In the vicinity of mountains & hills, the place just can't get better - this is not our view, it is our visitors who have shared this great feedback with us. If we were to describe about green living, peaceful stay, tranquil environment, and any other synonyms that one can think of, GP is all that, plus more! A pleasant drive of around 20 minutes from Jehaan Circle, takes you to GP with pride we call it, God's own Paradise.

Happenings at GP

Parties or Get-together:

Does the idea of throwing a lavish party for your friends and family at a picturesque venue entice you? Well then, you have landed yourself on the perfect place! If you have the intent of hosting a party, we have the venue for making it memorable. GP is your ideal party hangout place, which provides you and your guests with an opportunity to get together, have fun, enjoy your time, and create moments that can be cherished forever.

Wedding & Reception

If you were to meet all those couples who got married at GP remember to ask them about it. While we do not want to brag, we are quite sure you will receive very positive feedback. The sole reason behind this confidence is the way GP has been constructed and raised as a top-notch wedding destination in Nashik. As part of the service, we provide our clients with options to host wedding ceremonies at our green lawns, banquet halls or by the poolside.

Conference & Training Program:

The conference hall has been developed and rolled-out with an objective to assist you in going about your business proceedings successfully and meeting your goals. You can schedule your company's quarterly, annual or monthly conferences / review meetings at this location, organize training sessions or workshops for your employees or vendors. The latest technology in use, combined with the modern day approach that it provides your business with, is the main highlight of GP's Conference Hall.

Rooms & Accommodation:

GP Farm is not just a commercial event venue provider, but also works as a niche hospitality provider in the outskirts of Nashik city. It was the vision of our founders that established GP as a multi-purpose venue to serve every individual coming to us. We have a modest range of rooms and villas for travelers, who are looking for a peaceful vacation. Check out the various types of accommodation that we offer...

Solis

Solis, The Multi-cuisine Restaurant

A black & white theme Restaurant with an interactive kitchen, is known for its ambience & delicious food. This elevated dining place gives a great view of the mountains and surrounding farmland. GP boasts of 3 kitchens, one being exclusively vegetarian. Our chefs are, more than willing to prepare the delicacies, that will please your palate.

Blue Pearl, the swimming pool

A large pool will entice you to get in & enjoy the cool experience.

Children's play area

A fun place for children.
